Hi Debbie,

As requested in your November 13, 2017 email, attached please find the DS&G PFAS Work Plan for 2018. Please let us know if you would like us to forward paper or CD copies as well (the attached document is 18 pages in length).

This sampling event is anticipated to occur in October 2018 to be coincident with the PFAS sampling event for the ACL Site. Please let us know if you have any questions or need additional information.

Thanks, Theresa
